

# Centennial Place Happenings

**Activity Professionals of Ontario, which is a professional organization for Leisure Recreation Providers in Healthcare settings has deemed March 7 – 13, 2010 as Activity Professionals Awareness Week. The residents at Centennial Place are provided with a variety of programs that meet their physical, social, emotional and spiritual needs. Residents, families and friends are always welcome to attend the many programs that are offered including; fun and fitness, entertainment, afternoon teas, and even church services.**

**A special thank you goes out to the Program Department, who are a dedicated group of individuals that work hard to meet the needs of each resident and to improve their quality of life.**

Activity Professionals left to right: Maegan, Shawna, Heather and Joanne. Absent: Barb and Becky.
