

CENTENNIAL PLACE HAPPENINGS

The residents of Centennial Place are keeping optimistic about the rainy summer that has occurred so far. The rain hasn't stopped the residents from enjoying themselves by having Indoor Picnics, Ice Cream Socials on the covered balconies, and "Mocktails" with beach music and sounds. August will bring more of these activities to the residents along with regular entertainment and bus outings. On August 20th Residents and Family are invited to join Centennial Place's annual Corn Roast. This event has been a huge success in the past and continues to grow each year. There will be live music and the possibility of some antique cars this year. We hope to see all of the families and friends at this event.

A New Tradition in Long Term Care

Shawna Wilson and Hilda Kerwin taking "the boys" for a walk.

Friends and Family gathered at Centennial Place on July 25th to Celebrate Bryon Olan's 60th Birthday.
