

# CENTENNIAL PLACE HAPPENINGS

A special Thank You goes out to all the families, residents, volunteers and staff who participated in our Annual Bazaar on November 21st. The event was a huge success and raised over \$1500.00 for the Resident Council. Resident's use the money towards special entertainment, charity donations and the biggest item for this year was the purchase and installation of the Flagpole located at the front entrance of the building.

December brings lots of Christmas festivities to the home including a visit from Santa Claus himself.

The staff is also are getting ready for "Accreditation" that will take place the 2nd week of December. The Accreditation process is about on-going improvement and allows us to 'show case' our successful operations. We will receive a status report following the survey. Areas for improvement will likely be noted, and some changes or new policies/procedures could be required. We then have a six month period (following the survey) during which updates and required program improvements can be made, prior to receiving our final Accreditation award.

Happy Holidays from all the Residents, Staff and Family
